19th JUDICIAL DISTRICT OF VIRGINIA
FAIRFAX COUNTY GENERAL DISTRICT COURT
4110 CHAIN BRIDGE ROAD
FAIRFAX, VIRGINIA 22030

The standard Time to Pay option (TTP) is a deferred payment or an installment payment plan with guidelines that are outlined below. It requires the defendant to sign Part II of the Acknowledgement of Suspension or Revocation of Driver's License form (DC-210) and there will be an additional \$10.00 fee assessed to the overall total due for time to pay over 90 days.

The court can grant payment extensions or installment plans that will vary based on the following guidelines dictated by this TTP Chart:

Deferred Payment: (No monthly payment required, must be paid in full by new due date)

If the total due is **\$500 or less**, the time to pay period is for **3 months / 90 days**.

If the total due is **\$501 to \$1,000**, the time to pay period is for **12 months / 1 year**.

If the total due is **\$1,001 to \$2,000**, the time to pay period is for **24 months / 2 years**.

If the total due is **\$2,001 to \$4,000**, the time to pay period is for **36 months / 3 years**.

Installment Plans: (Monthly payments are required, missed payments will result in a default)

If the total due is **\$4,001 to \$6,000**, the time to pay period is for **48 months / 4 years**.

If the total due is **\$6,001 to \$8,000**, the time to pay period is for **60 months / 5 years**.

If the total due is **\$8,001 to \$10,000**, the time to pay period is for **72 months / 6 years**.

If the total due is **\$10,000 or more** the time to pay will be varied based on total owed with a **\$150 monthly payment**.

If you find that you are unable to fulfill this obligation within the time permitted, you may ask for an additional 60 days which requires a payment of 10% if total owed is less than \$500. For totals over \$500 a payment of \$50 or 5% of balance (whichever is greater) will be required. Any additional extensions will be at the court's discretion and will require another payment of 10% of the outstanding balance.

FAIRFAX COUNTY GENERAL DISTRICT COURT LICENSE REINSTATEMENT PROGRAM

1. If you have outstanding fines and costs owed to the Fairfax County General District Court, you may petition the Court and, subject to approval, enter into a payment plan with the Court Debt Collections Office of the Virginia Department of Taxation to reinstate your driving privileges.
2. To set up a payment plan with the Court Debt Collections Office you must first complete and sign the attached **Petition/Acknowledgment Form** and make a **required downpayment** towards your outstanding balance to the Court.
3. When you enter into an agreement to reinstate your driver's license, a **\$10 time to pay fee will be added** to the total amount due (unless this fee was previously assessed). This fee is required by Virginia law - the Court has no discretion in this matter.
4. Once initial payment has been made, the Court will fax your petition to the **Court Debt Collections Office of the Virginia Department of Taxation**. *You must wait at least 24 hours* before calling the Dept. of Taxation at **1-804-367-0016** to complete the process. **The Hours of Operations are: M-F 8:00 a.m. – 5:00 p.m. The fax number is 1-804-367-3162.**
5. The Court Debt Collections Office will notify the Court when your petition is approved and a payment plan is established. Upon notification, the Court will electronically notify DMV that your case is on a restoration (payment) plan. **It is your responsibility to contact DMV and pay the reinstatement fee to get your license reinstated.**
6. **IMPORTANT:** This reinstatement will only apply to your unpaid debts with the Fairfax County General District Court. You may also owe fines and costs to other courts or you may be suspended by DMV for other reasons that will prevent DMV from issuing you a license. **NOTICE:** Even if you are granted a restoration plan, please note that it may not stop a garnishment on your wages.
7. If you are issued a driver's license under this payment plan and you default, your license will be re-suspended and you will have to pay the reinstatement fee with DMV again.
8. **We must receive a payment every month.** You cannot make payment in advance and if you are late paying, your next payment cannot be credited to the previous month. The Court does not send reminder notices or letters when payments are due or overdue. Your petition is your official notification that your driver's license will be administratively suspended immediately upon missing any scheduled payments under this plant. If you drive after missing a payment you may be charged with a new offense of "Driving on a Suspended License". **Please keep a copy of this notice for your records.**

***A CONVENIENCE FEE OF 4% IS ADDED EVERY TIME A PAYMENT
IS MADE WITH A CREDIT OR DEBIT CARD.***
